NIC Pb-Free Profile\_110401

[www.niccomp.com/rohs](http://www.niccomp.com/rohs)

## Pb-Free Reflow Soldering Profile

The following NIC product series meet the below (Sn-Ag-Cu "SAC" referenced) Pb-Free (Lead-Free) reflow soldering profile:

**NRC, NRC-E, NRSN, NTR, NCSR, NCST, NTHC Series**

SMT Resistors and Arrays, SMT Thermistors, SMT Attenuators

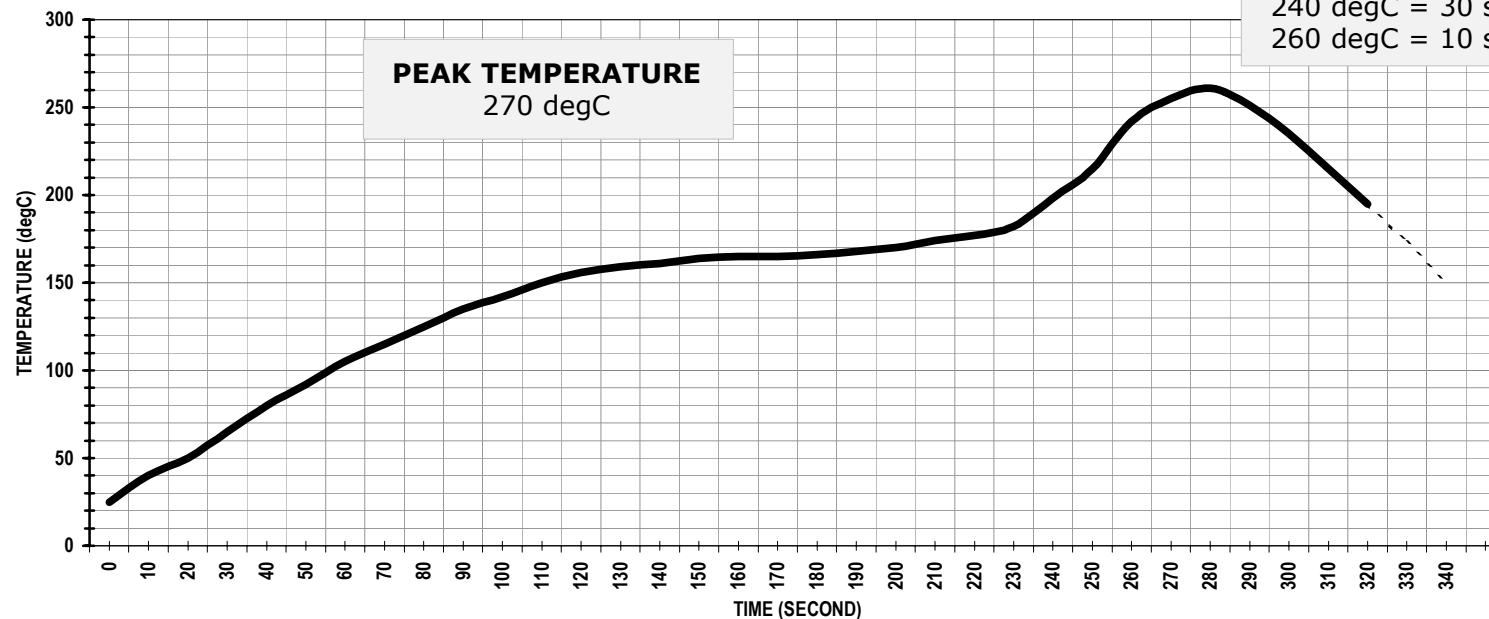

### MAXIMUM TIME ABOVE

200 degC = 90 seconds

215 degC = 60 seconds

240 degC = 30 seconds

260 degC = 10 seconds

### Additional RoHS Documentation;

Green Statements, Pb-Free Soldering Profiles are available on the NIC website:
