

## **NIC Components Certificate of Compliance: Proposition 65**

NIC Components Corp. complies with applicable laws and regulations in the conduct of NIC Components Corp.'s business operations, including where applicable, Proposition 65 substances updated on December 8, 2025.

Proposition 65 protects California's drinking water sources from being contaminated with chemicals known to cause cancer, birth defects or other reproductive harm, and requires businesses to inform Californians about exposures to Proposition 65 listed chemicals.

NIC Components Corp. is a global provider of electronics components. NIC Components Corp. complies with our responsibility to present Proposition 65 warnings from manufactures to customers in California. NIC Components Corp. intends to provide the required warning.
