RE: Proposition 65 – Safe Drinking Water and Toxic Enforcement Act of 1986

NIC Components Corp. complies with applicable laws and regulations in the conduct of NIC Components Corp.'s business operations, including where applicable, Proposition 65.

Proposition 65 protects California's drinking water sources from being contaminated with chemicals known to cause cancer, birth defects or other reproductive harm, and requires businesses to inform Californians about exposures to Proposition 65 listed chemicals.

NIC Components Corp. is a global provider of electronics components. NIC Components Corp. complies with our responsibility to present Proposition 65 warnings from manufactures to customers in California. NIC Components Corp. intends to provide the required warning.

For more information on Proposition 65 go to www.P65Warnings.ca.gov. For more information please contact NIC Environmental Compliance or visit www.niccomp.com/rohs.
