NTR_122903A

NTR SERIES

Thin Film Chip Resistors

Typical Performance Data:

TCR Cold | TCR Hot | Resistance to Solder Heat
Load Life – Endurance | Resistance in Cold and Hot Temperature
Moisture Resistance | Short Time Over-load | Thermal Shock

NTR04 0402 Size

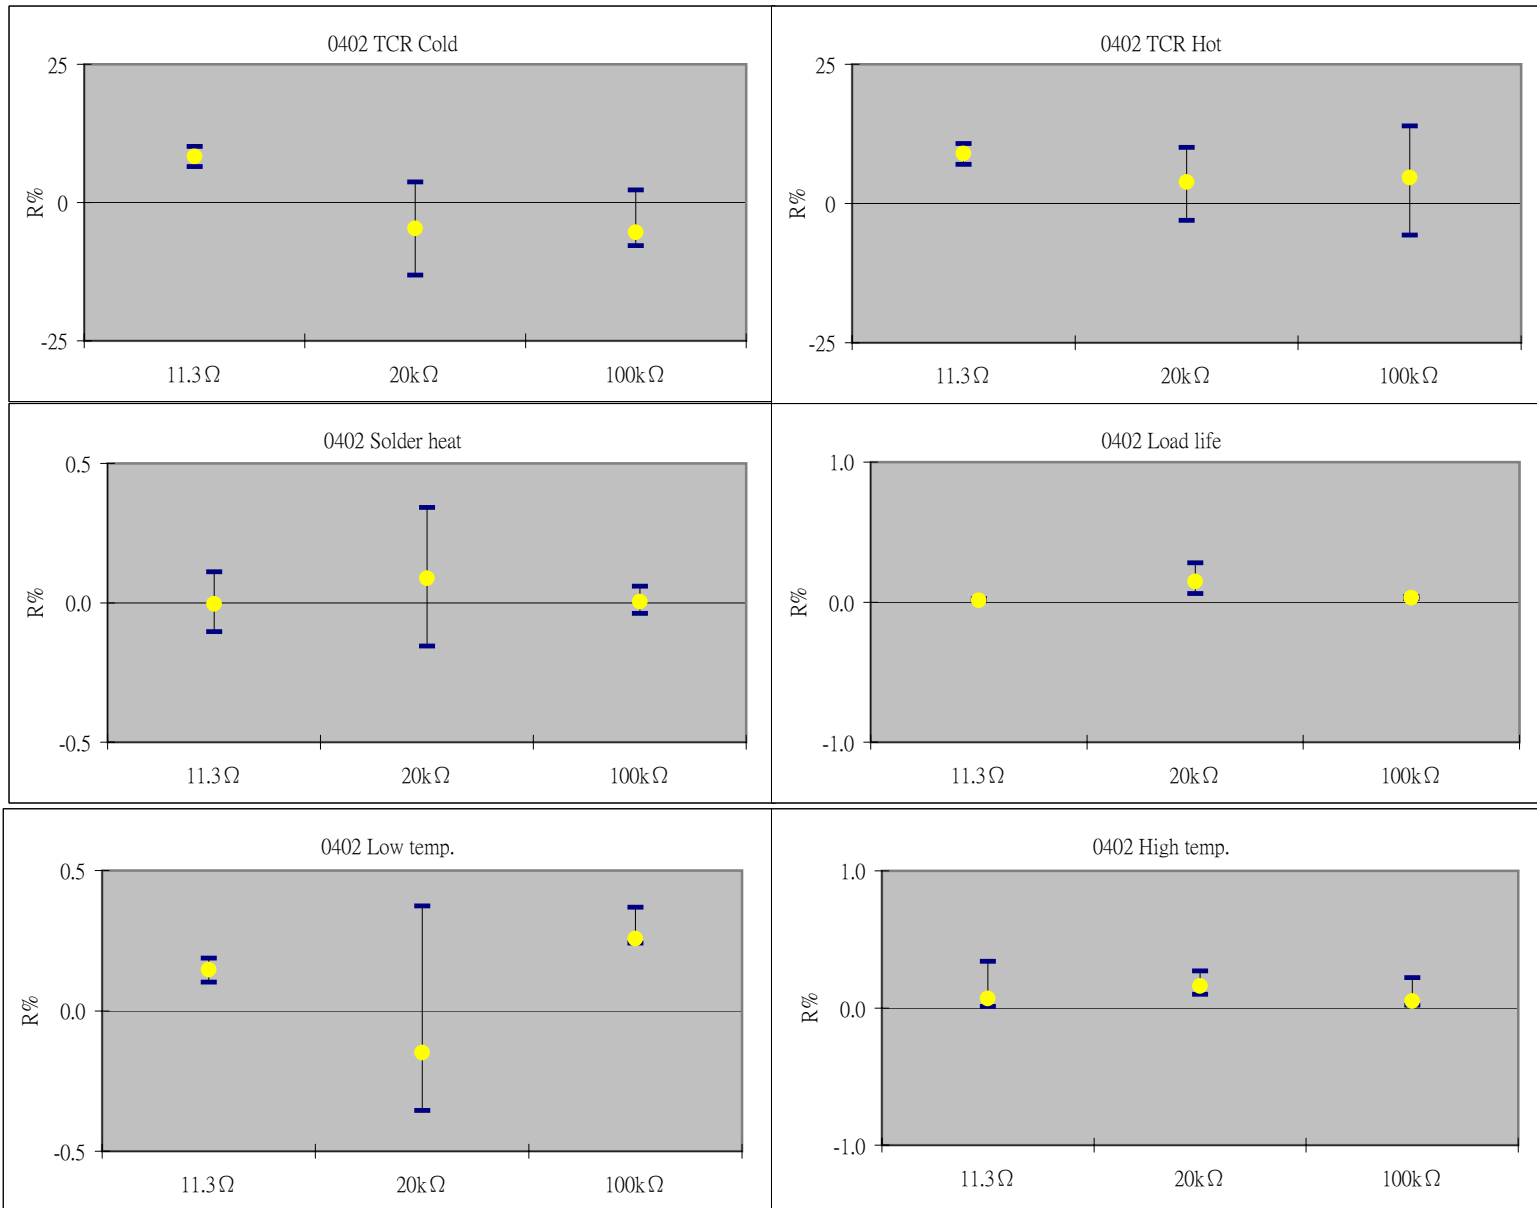

NTR06 0603 Size

NTR10 0805 Size

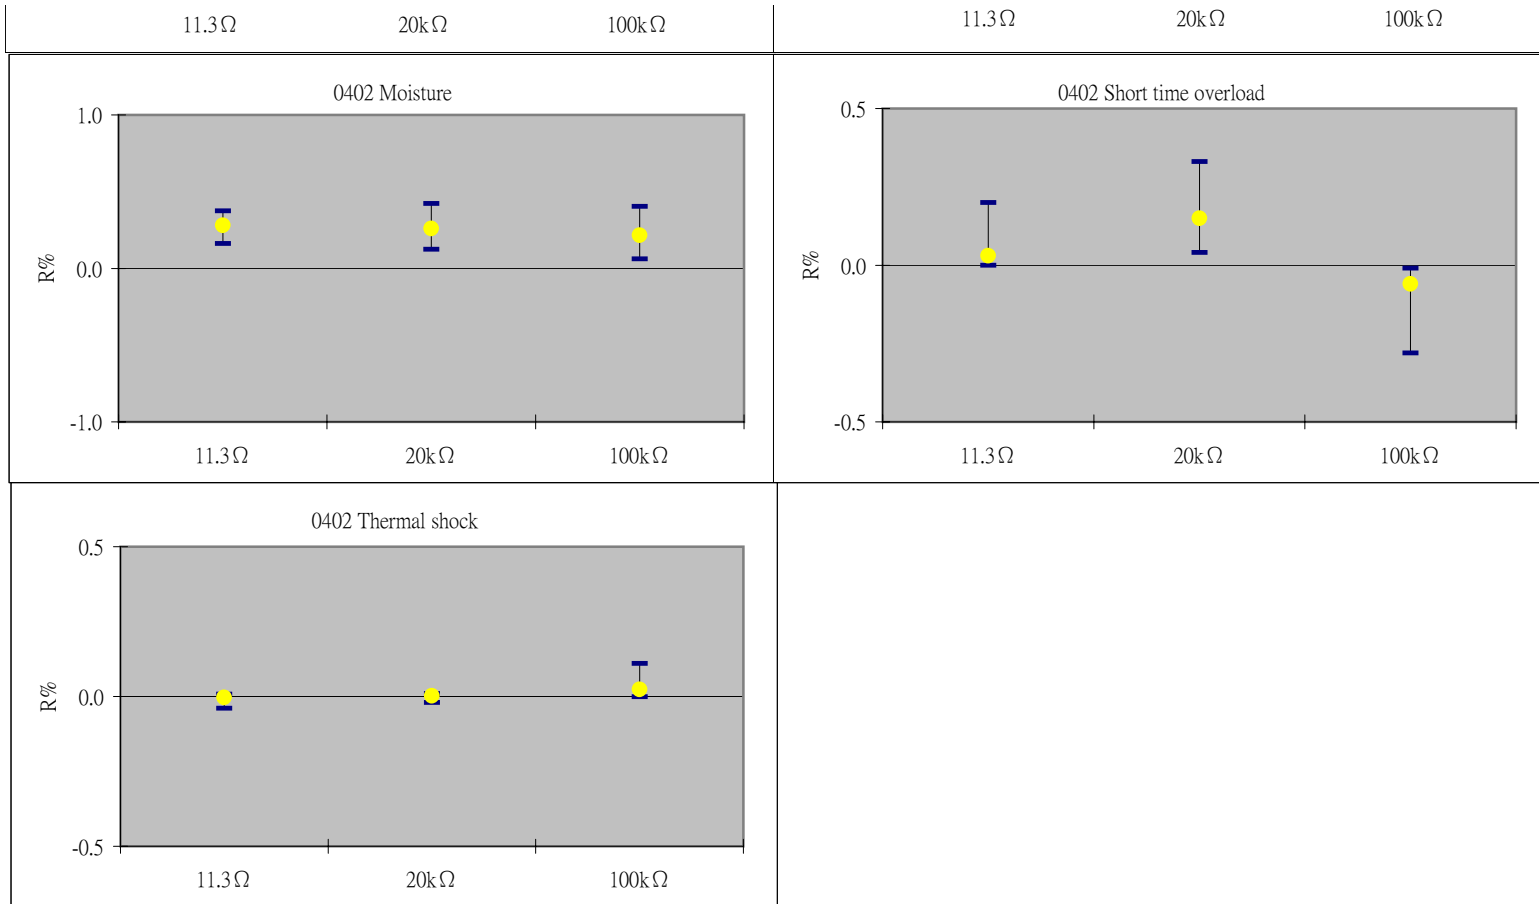

NTR12 1206 Size

[Low, Middle, High Resistance Values]

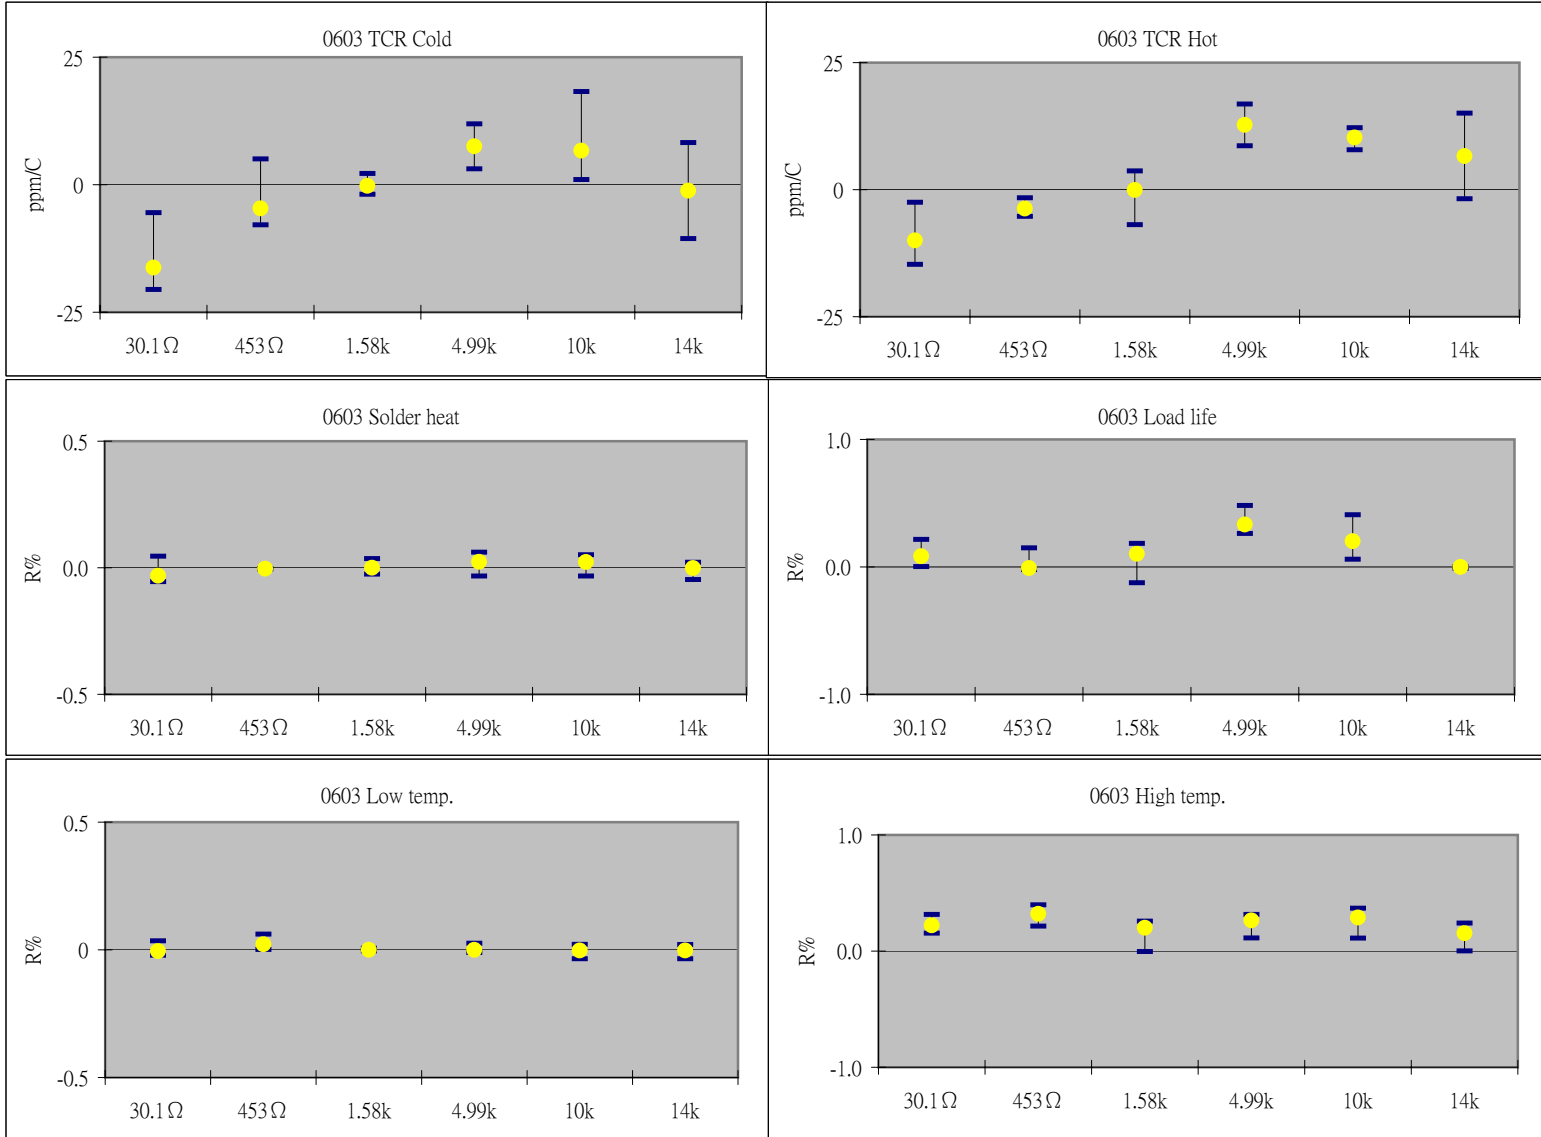

NTR04 Series 0402 Size - Thin Film Chip Resistors Typical Performance Data

NTR04 Series 0402 Size - Thin Film Chip Resistors Typical Performance Data

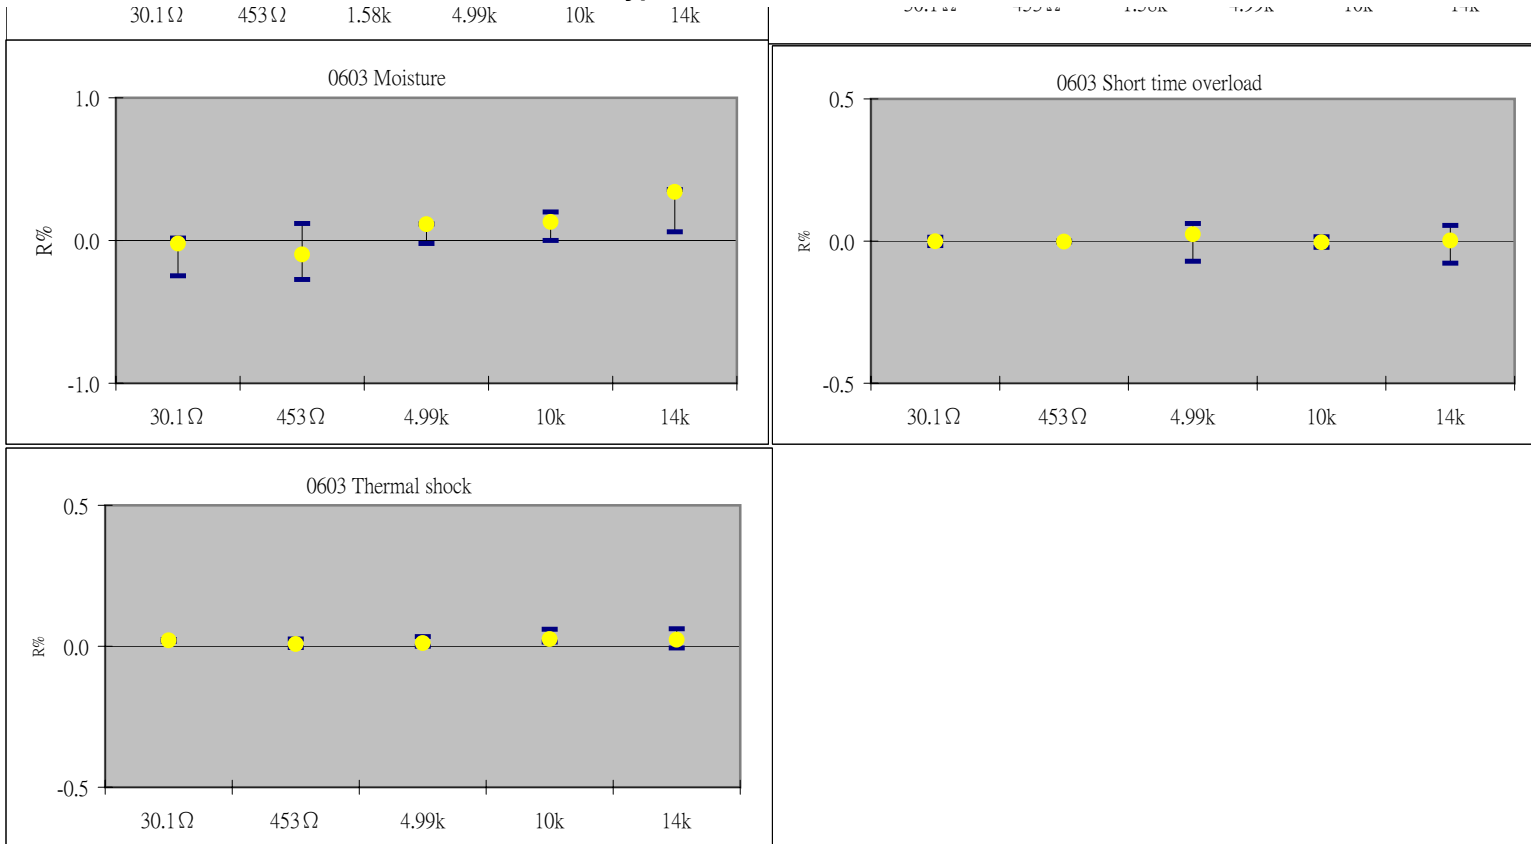

NTR06 0603 Size - Thin Film Chip Resistors Typical Performance Data

NTR06

0603 Size - Thin Film Chip Resistors

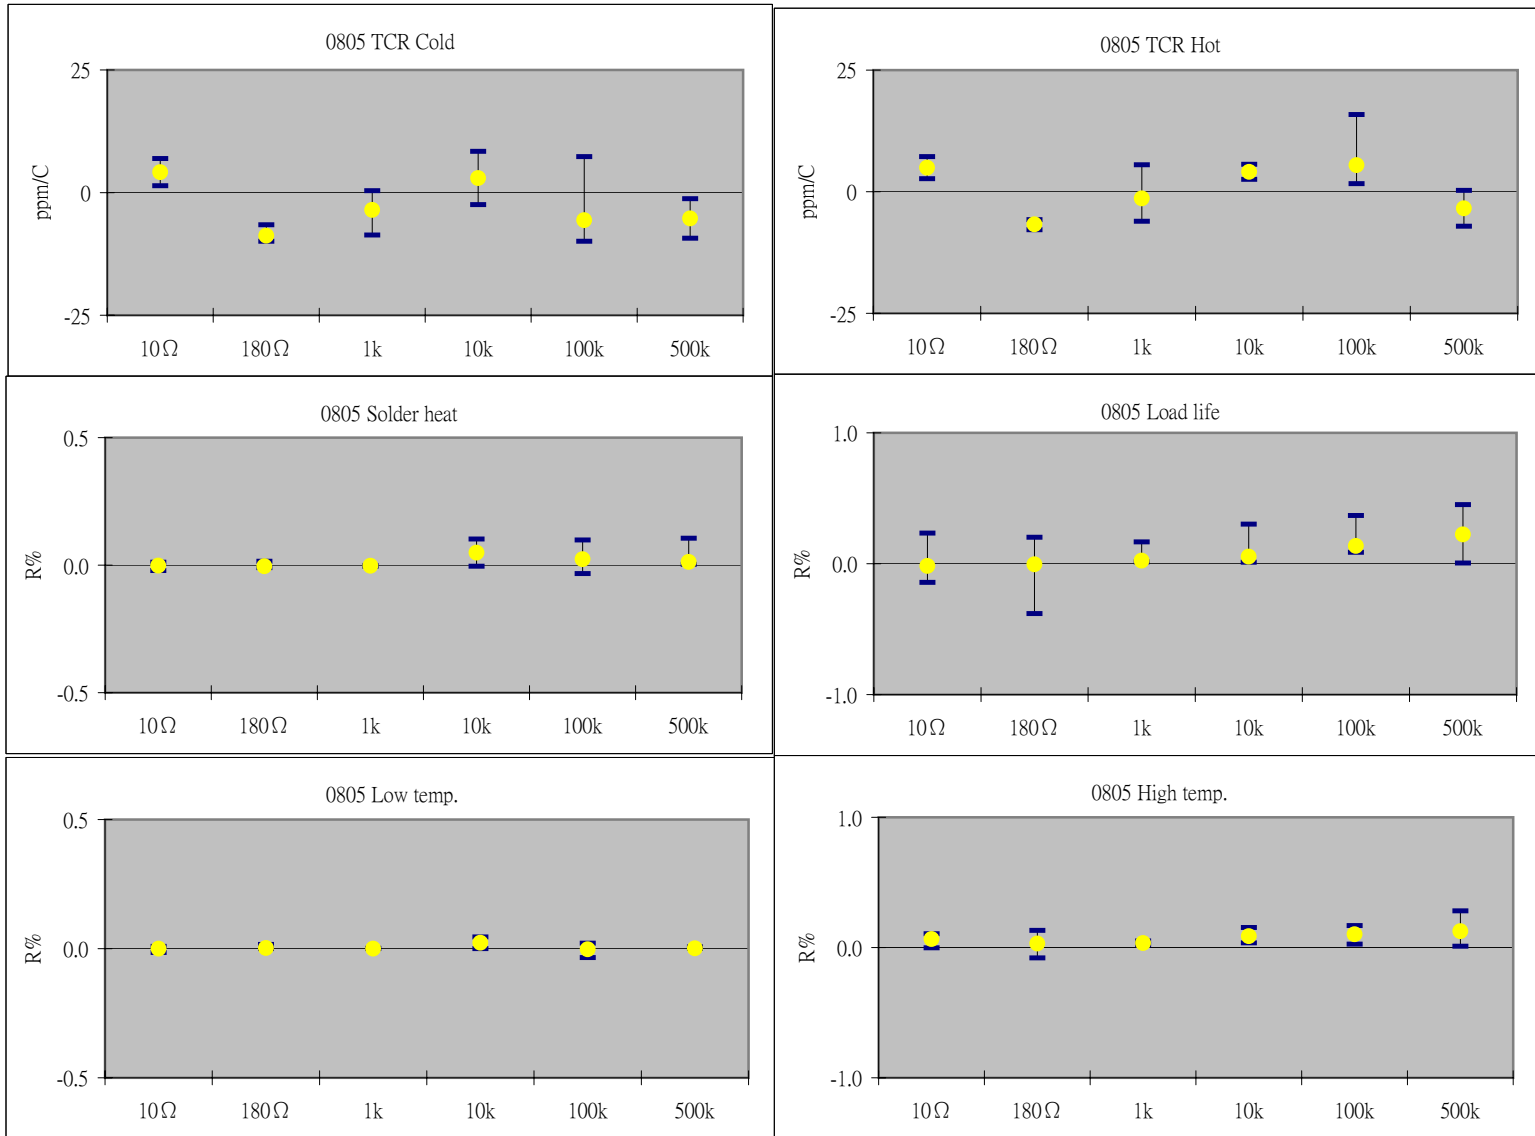

Typical Performance Data

NTR10

0805 Size - Thin Film Chip Resistors

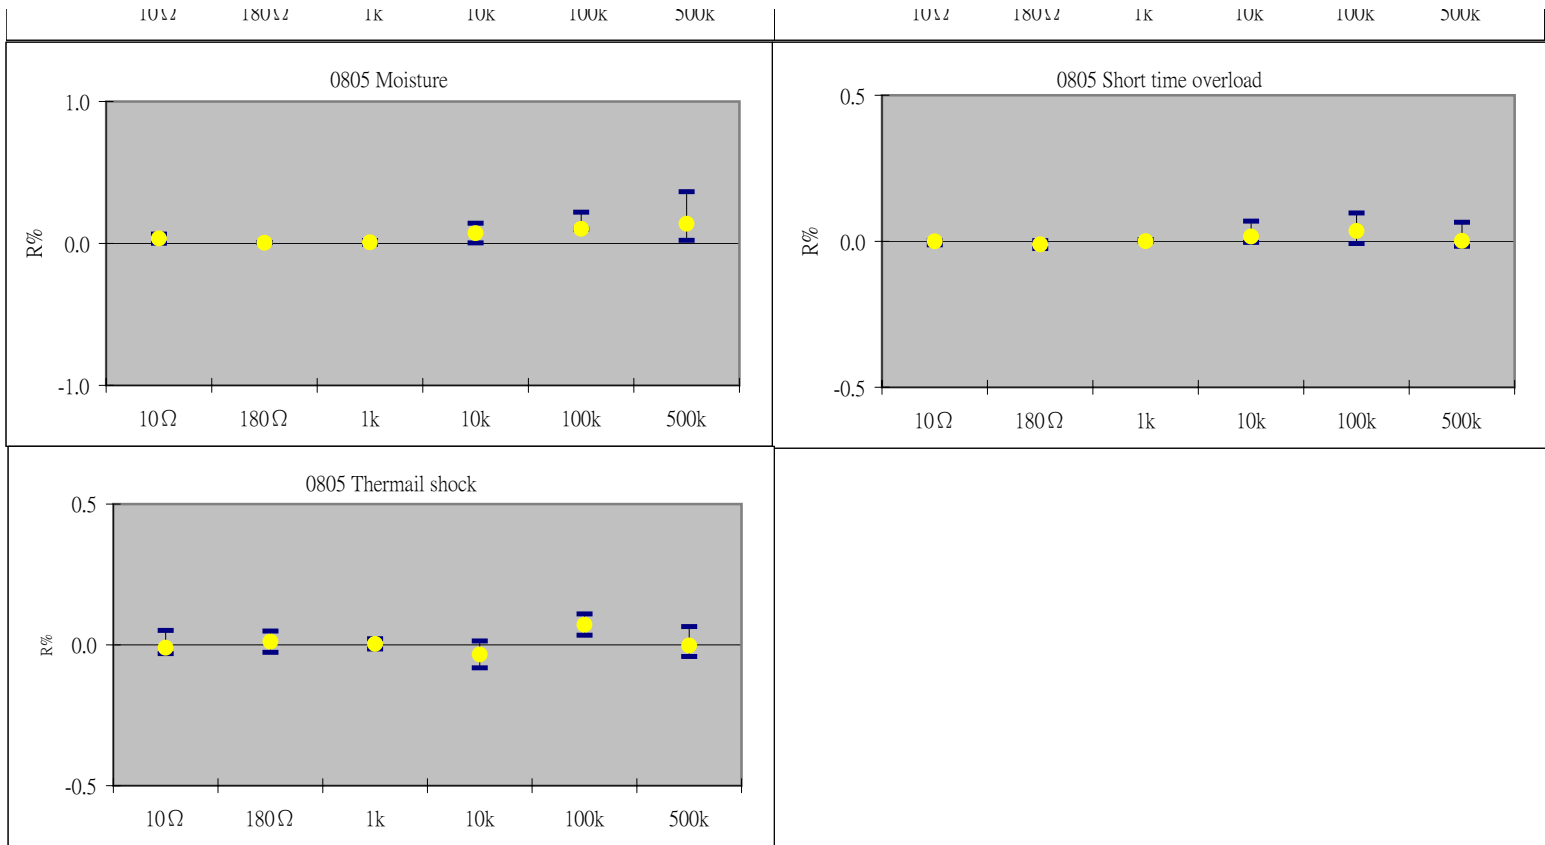

Typical Performance Data

NTR10

0805 Size - Thin Film Chip Resistors

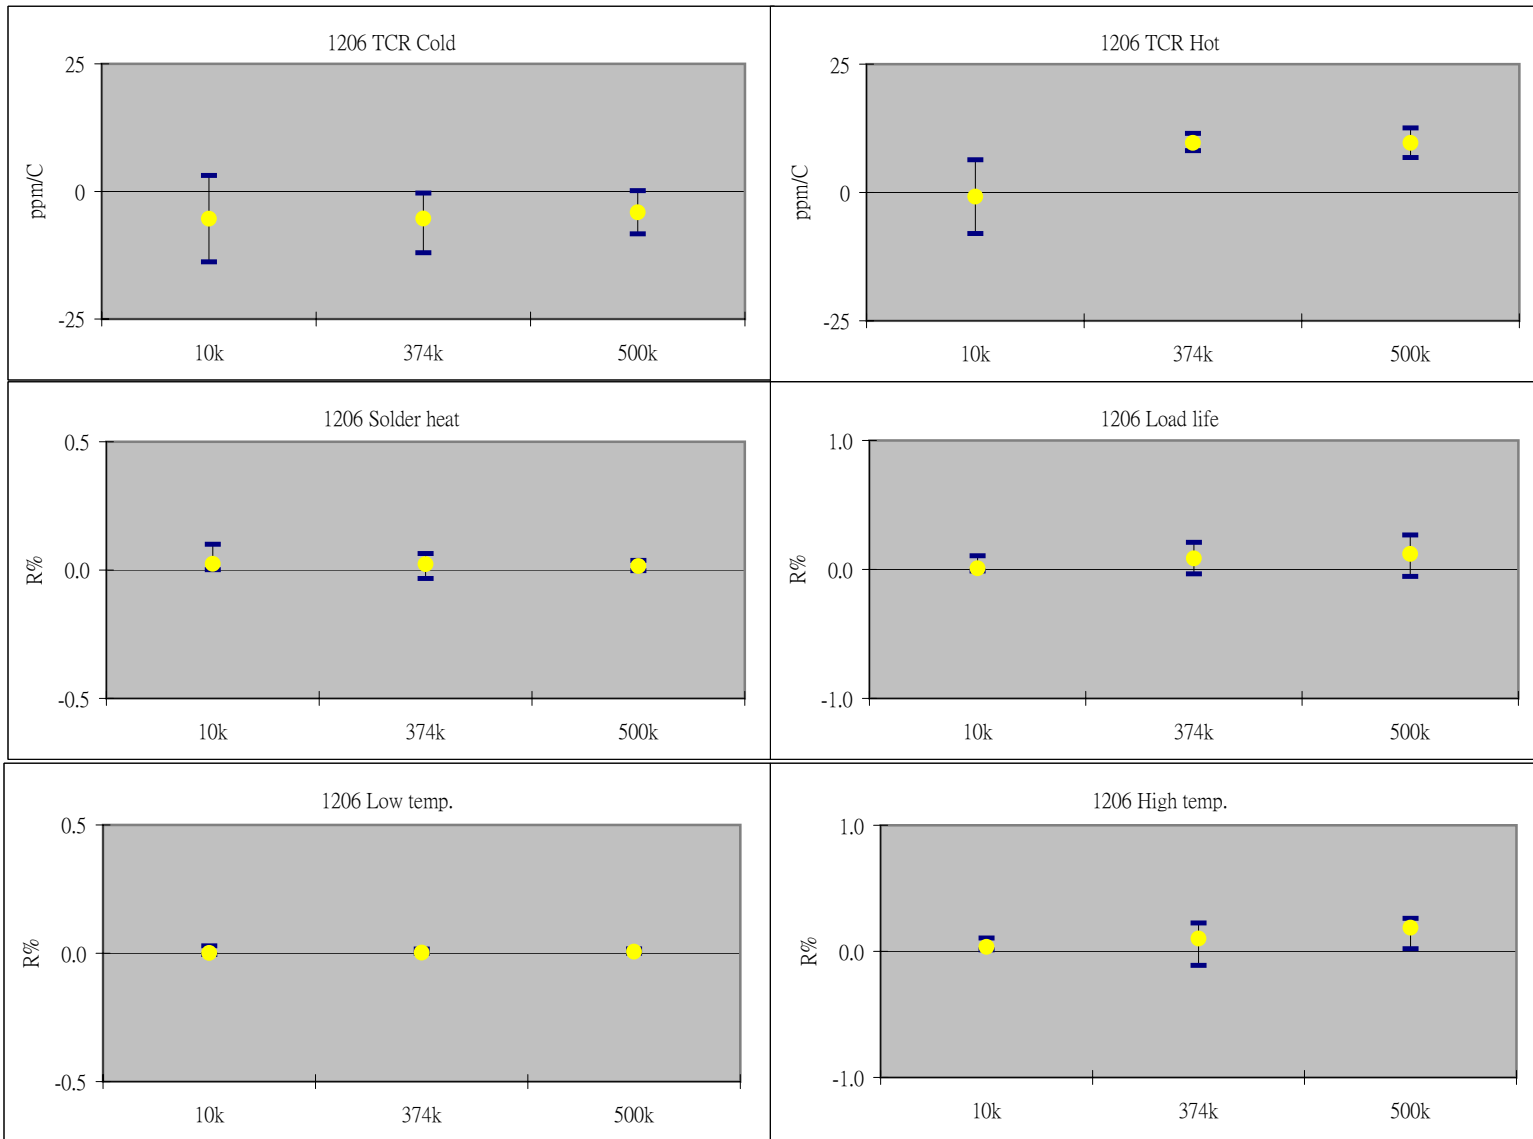

Typical Performance Data

NTR12

1206 Size - Thin Film Chip Resistors

Typical Performance Data

NTR12

1206 Size - Thin Film Chip Resistors

Typical Performance Data
